

Everyone deserves a place to call home.

To support and improve the lives of those experiencing homelessness and assist in preventing homelessness in the communities we serve.

That's what Edina Realty agents and employees set out to do when they established the Edina Realty Foundation in 1996.

The Edina Realty Foundation offers financial support to non-profit organizations that provide food, emergency shelter, medical care, job readiness training and more to help prevent homelessness and assist those experiencing homelessness across Minnesota and western Wisconsin.

More than 94% of all funds raised go directly to organizations that support those experiencing homelessness or work to prevent homelessness.

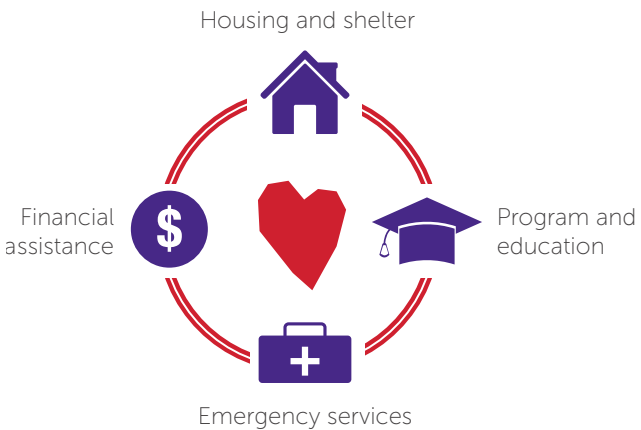

Grant distribution

The Edina Realty Foundation is funded by agent, employee and company contributions, as well as fundraising events. Every time an agent donates a part of their commission to the foundation, Edina Realty makes a contribution as well.

Since its inception in 1996, the Edina Realty Foundation has raised more than \$12 million, and 30 years later, we remain steadfast in our commitment to building a better tomorrow for those experiencing homelessness.

Program areas we support

- ♥ On any given night, an estimated 4,500 Minnesota youth experience homelessness.
- ♥ Across the state of Minnesota, one-third of people experiencing homelessness are not in a formal shelter.
- ♥ People in families (with children under 18) account for 47% of people experiencing homelessness in Minnesota.
